

2009 JAMIS COMMUTER 2

UPGRADES FROM 2008

- Vittoria Adventure Touring tires with puncture barrier
- Matching distressed leather-finish saddle and grips
- Comfortable foam grips with stitched covers
- Shimano New Acera Shifter and Rear Derailleur

REASONS TO UPGRADE FROM COMMUTER 1

- Lightweight aluminum fork
- Lightweight polycarbonate fenders with easy-adjust stays
- Lightweight alloy dual pivot caliper brakes
- Vittoria Adventure Touring tires with puncture resistant tire casings
- Better wheelset with double wall rims and cassette freehub
- New Shimano Acera 8-speed shifter and rear Derailleur for more precise shifting
- Sealed cartridge BB
- Slimstack headset

FEATURES/BENEFITS

Large diameter 700c road bike wheels roll faster & more predictably at speed, and roll over bumps & potholes more comfortably than smaller diameter 26" wheels

Commuter's no-nonsense aluminum frame is lightweight & durable and available in 7 sizes for the best possible fit, all contributing to a more comfortable and safer ride

Our aluminum, straight-bladed & tapered unicrown fork is significantly lighter than a suspension fork, improving pedaling performance and maneuverability

The classic swept-back, city-bike style handlebar with 43 degree back sweep, 66mm rise and 595mm width puts hands & wrists in a comfortable, natural palms-in position

A long quilled, angle-adjustable stem offers a comfortable, upright ride position that's easy on neck & wrists

Our polycarbonate fenders are exceptionally lightweight and protects both rider and bike from rain water sloughing off spinning wheels

Smooth-rolling, Vittoria Adventure Touring 700 x 38c tires hold more air volume & are more comfortable to ride than smaller width 23 - 28C road tires. These tires also feature a 3M reflective stripe for enhanced visibility in the dark and a puncture-resistant casing that helps protect tubes from flats

Weinmann's ZAC1800 double wall rims are stronger, lighter and longer lasting than standard single wall rims

Shimano's 8-speed Rapidfire Plus drivetrain is lighter and simpler to operate than other double-digit-speed bikes, yet offers plenty of gearing for cycling around town

A sealed cartridge bottom bracket improves performance and reduces maintenance

Our super plush saddle features memory foam padding for optimum support with maximum comfort. The "nap" of the distressed leather finish offers a good "grip" for the saddle top to prevent slipping, while still allowing the thighs to slide freely against the saddle sides for an easier and more comfortable ride

A telescoping suspension seat post with 1" of coil-sprung travel smooths out pot holes and railroad track crossings.

Grey / Machine Silver

SPECIFICATIONS

Frame	6061 Triple gauge aluminum main tubes and stays, sloping design, rack/fender mounts, double eyelets and lightweight polycarbonate fenders
Fork	Jamis City/Cross fork, aluminum, 1 1/8" steel steerer, single eyelet
Headset	Slimstack threaded, sealed, 1 1/8"
Wheels	Weinmann ZAC-1800 double-wall rims, 36H, with Formula alloy QR front and rear hubs, 14g stainless steel spokes
Tires	Vittoria Adventure Touring, 700 x 32c, with Rubber Shield puncture protection and reflective safety stripe
Derailleurs	Shimano Acera M360 rear
Shiftlevers	Shimano Acera M360 RapidFire Plus shifter (right side only), 8-speed
Chain	KMC Z82
Cassette	Shimano CS-HG40, 8-speed, 11-32
Crankset	Forged alloy crank, single 42T chainring, 170mm (14.5-18.5"), 175mm (20.5-22") with chainguard
BB Set	Sealed cartridge, 68 x 113mm
Pedals	City/Cross, composite body with steel cage, toe clip attachable
Brakeset	Tektro forged alloy dual pivot calipers, 55-73mm reach, with Tektro Tenera Levers
Handlebar	Classic swept-back, city-bike style, 10D rise x 540mm
Stem	Jamis alloy, angle-adjustable, 90mm ext x 150mm quill (14.5-17.5") or 110mm ext x 180mm quill (18.5-22")
Grips	Jamis Urban, high density foam with stitched synthetic leather cover
Seat Post	Suspension, alloy micro-adjust, 350mm x 27.2mm, with alloy QR clamp
Saddle	Jamis Urban with memory foam, synthetic distressed leather top and sides and single loop springs
Sizes	M: 14.5" 16.5" 18.5" 20.5" 22" W: 14.5", 17.5"
Color	Grey/Machine Silver (M), Pacific Blue/Machine Silver (M & W) or Pearl White/Machine Silver (W)
Weight	26.80 lbs
