

# 2010 EARTH CRUISER 2

## UPGRADES/CHANGES FROM 2009

New Colors!

Gloss Black

## FEATURES/BENEFITS

This is our most affordable Earth Cruiser thanks to the lower cost but highly durable hi-tensile steel frame and hot forged steel crank.

Our compact cantilevered cruiser design offers the lightest possible weight, with 4 sizes assuring a better fit for a more comfortable and secure ride.

Our traditional seat-tube-centerline crank position offers the most comfortable pedaling position on all terrains, is more stable and easier to pedal from a stop, and is easier to pedal out of saddle than crank-forward designs.

Alex's Zuma alloy rims are reliably true & durable and are laced with 36 stainless steel spokes on the Earth Cruiser II producing a strong, rust-resistant wheel.

The EC2 features a near all-alloy parts list -- alloy micro-adjust seat post, alloy stem, alloy seat post clamp, alloy front hub, alloy rims, alloy kickstand -- all of which add value, eliminate rust and reduce weight for an easier to pedal, more comfortable ride.

The Earth Cruiser saddle is the same as we use on our Jamis Explorer sport comfort bikes -- with memory foam padding for optimum support with maximum comfort.

The slip-resistant suede-type top prevents sliding and the burnished side panels reduce leg friction while pedaling. Elastomer springs help soak up high resonant road vibrations.

This saddle is offered in gender specific shape and sizing for each of our Men's and Women's models.

Our Jamis Cruiser bar is the most sensibly designed in the business -- just the right width, sweep & rise, for a perfectly comfortable upright ride that won't accidentally knock you in the ribs during tight radius, slow speed turns like in a driveway or parking lot.

The rubber-like inserts on the pedals are actually slip-resistant, offering some shock-absorption as well, for a safer, more secure ride. You can even ride barefoot comfortably!

## SPECIFICATIONS

Frame	Contemporary comfort design with hi-tensile steel tubing, includes kickstand and painted steel chainguard
Fork	Hi-tensile unicrown with straight blades
Headset	Oversized, 1 1/8"
Wheels	Alex Zuma 36H black anodized alloy rims with alloy nudded front hub and Hi-Stop coaster brake rear, 14 gauge stainless steel spokes
Tires	Jamis Cruise-control comfort tread 26x2.125" silver stripe
Derailleurs	N/A
Shiftlevers	N/A
Chain	KMC Z410NP
Cassette	18T
Crankset	Steel crank arm with 44T compact disc chainring
BB Set	OPC type
Pedals	Cruiser alloy platform with TPE comfort insert
Brakeset	Hi-Stop coaster brake
Handlebar	Jamis Cruise-control comfort bar
Stem	Alloy hi-rise, 180mm quill, 100mm extension, with removeable 2-bolt cap
Grips	Spectro comfort kraton
Seat Post	Alloy micro-adjust, 28.6 x 300mm, with 31.8mm alloy clamp and chromo seatpin
Saddle	Earth Cruiser Comfort with memory foam padding, synthetic suede top, burnished sides and bumper springs
Sizes	M: M (18") & L (21") F: S (15") & M (17")
Color	M: Gloss Black, Victory Blue or Copperfield F: Sugar Blue, Pistachio, Sugar Pink or Pearl White
